

# GIMMICK RALLY

## Saturday, May 15, 2021

**This is fun!** Our drive will take us on some roads just perfect for Porsches. The rally will last somewhat over two hours of attentive driving and beautiful scenery. No racing here – only careful powers of observation and clever thinking will put you in the winners’ circle. A bonding experience for you and your navigator. The top three teams as determined by the highest number of correct answers will be our prize winners.

You will need a driver in a Porsche, a navigator (not a Lincoln), and a clipboard with pen or pencil. Water, sunglasses, and sunscreen will come in handy, too.

Meeting time is 8:30 a.m. at Porsche Santa Barbara, 402 South Hope Ave. There will be complimentary coffee and pastries awaiting us. The rally will end at beautiful Arroyo Verde Park in Ventura where we will enjoy a great barbeque lunch by Q-Time BBQ.

The total cost is only \$35 per person, including lunch, drinks, and SBR activity fee. These are always popular events. RSVP early by filling out the form below and submitting it with your check.
