## AUTO MUSEUM FOUNDATION

### EXCLUSIVE SANTA BARBARA REGION TOUR OF THE MALAMUT CAR COLLECTION SATURDAY, APRIL 17, 2021

This is a unique chance to see the acclaimed Malamut collection of American, European, Japanese, and Micro/Mini vehicles from the '40s, '50s, '60s, and later years, including displays of eclectic automobile memorabilia.

In the usual SBR tradition, there will be a spirited, scenic drive prior to the private museum tour. We'll meet at 8:30 a.m. and depart at 9:00 for a cruise down PCH and then navigate over the Santa Monica Mountains to the car museum in Thousand Oaks, arriving about 10:30.

A catered, ribs and chicken barbeque lunch is being planned, but we won't know until closer to the time if pandemic rules allow this. Therefore, we won't collect money now for the lunch or the activity fee. The meeting place, confirmation of the lunch, and notice of the fee for this trip will be provided by email to those who sign up.

To register now, please send an email to Steve Doll: [sdollres@outlook.com](mailto:sdollres@outlook.com). Tell us your name, how many in the party and their names, and your contact email and mobile phone number. This excursion will be informative and fun.
