

PRE-CONCOURS DETAIL CLINIC

At Lavaggio—The Art of Auto Detailing

Saturday, September 10, 2022, 11 a.m. to 2 p.m.

In preparation for our 44th Concours d’Elegance, PCA/SBR will be hosting a detail clinic to help in preparing a car for competition and fun in less time. You’ll learn new techniques and discover the latest products to make your car gleam. A review of the Zone 8 competition rules will be discussed to find out what judges look for when examining a car. A live detailing demonstration will show the best way to use the newest products in preparing your Porsche for everything from full Concours to Detail & Shine.

Expert instruction is provided.

We’ll meet at Lavaggio’s beautiful facility in Agoura Hills, known as “The Art of Detailing.” Lunch is included.
