

# “KNOT” JUST A MUSEUM TOUR

Saturday, March 18, 2023

On Saturday morning, March 18, experience maritime treasures and stories at the Santa Barbara Maritime Museum. But first, we'll meet at 8:30 a.m. at the parking lot adjacent to the Habit Restaurant (3890 La Cumbre Plaza Lane), departing at 9:00 on a scenic drive through the local mountains. Ending at the museum, the executive director will give us a presentation “13,000 Years of Local Maritime History.” You can then tour the museum on your own to learn about Chumash maritime culture, the 1923 “Honda Disaster” (the largest peacetime naval disaster in U.S. history), local light houses, the fishing industry, deep sea diving, the history of oil in the Channel, and more.

Since all of this activity will make us hungry, we'll have lunch on the second floor above the museum at the Anchor Rose restaurant: excellent sea food, tri-tip and chicken sandwiches, and fabulous fish and chips, plus an exquisite view of the Santa Barbara Harbor, where commercial fishing vessels and hundreds of yachts are berthed.

The cost of the adventure is \$75 per person and includes entrance to the museum and lunch at the Anchor Rose. Register at [msreg.com/sbmaritimemuseum](https://msreg.com/sbmaritimemuseum).
